Summary of reasons
for classification:

The video recording entitled *Devil In The Rain* is classified as:
Objectionable.

The publication is deemed objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The publication promotes and supports the use of urine in association with sexual conduct. It achieves this by presenting the use of urine as an enjoyable and normal part of sexual behaviour between men and as sexually arousing to both parties.

The classification of this publication interferes with the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention in the FVPC Act that publications that promote and support the use of urine in association with sexual conduct are objectionable.
